WELCOME TO OUR HOME

Welcome to 2211 Lillie! We're longtime Santa Barbara locals and have always loved Summerland for its laid-back coastal feel, beautiful beaches, and easy access to Santa Barbara and Montecito. We wanted this home to be a place our family and friends could enjoy, and we're excited to share it with you as well.

We've included some of our favorite local restaurants, beaches, walks and things to do in this guide. We hope you enjoy the house and this special little corner of the coast as much as we do.

Check-in begins at **3:00pm**. If you arrive early, please contact us and we'll let you know whether the home is ready.

We also love welcoming returning guests. Book directly through Bunks on your next visit to save 10–25%, or explore our other vacation homes.

DURING YOUR STAY

Parking

The property has parking for up to four cars. The smaller parking area by the lower driveway is tight, so guests should park carefully and stay off the grass. Overnight parking is also available on Lillie Avenue just down the hill, subject to availability. A Tesla car charger may be available for guest use. Please contact us to arrange.

Heating & AC

The home has central heat and air conditioning. A Nest thermostat is located in the main house near the upstairs couch. Tap the thermostat to turn it on, use the dial to adjust the temperature, and press the display to select the appropriate setting.

The casita has a mini-split AC unit operated by remote. Please make sure the unit is set to AC/Cool mode when using it.

Sonos

The home has two Sonos speakers: one upstairs and one in the media room. Connect your device to the Wi-Fi network and open the Sonos app to select the speaker you would like to use.

Trash & Recycling

The kitchen has separate trash and recycling compartments. Extra bags are available beneath the sink. Outdoor bins are located by the lower entrance near the garage. Neighborhood collection is Friday morning.

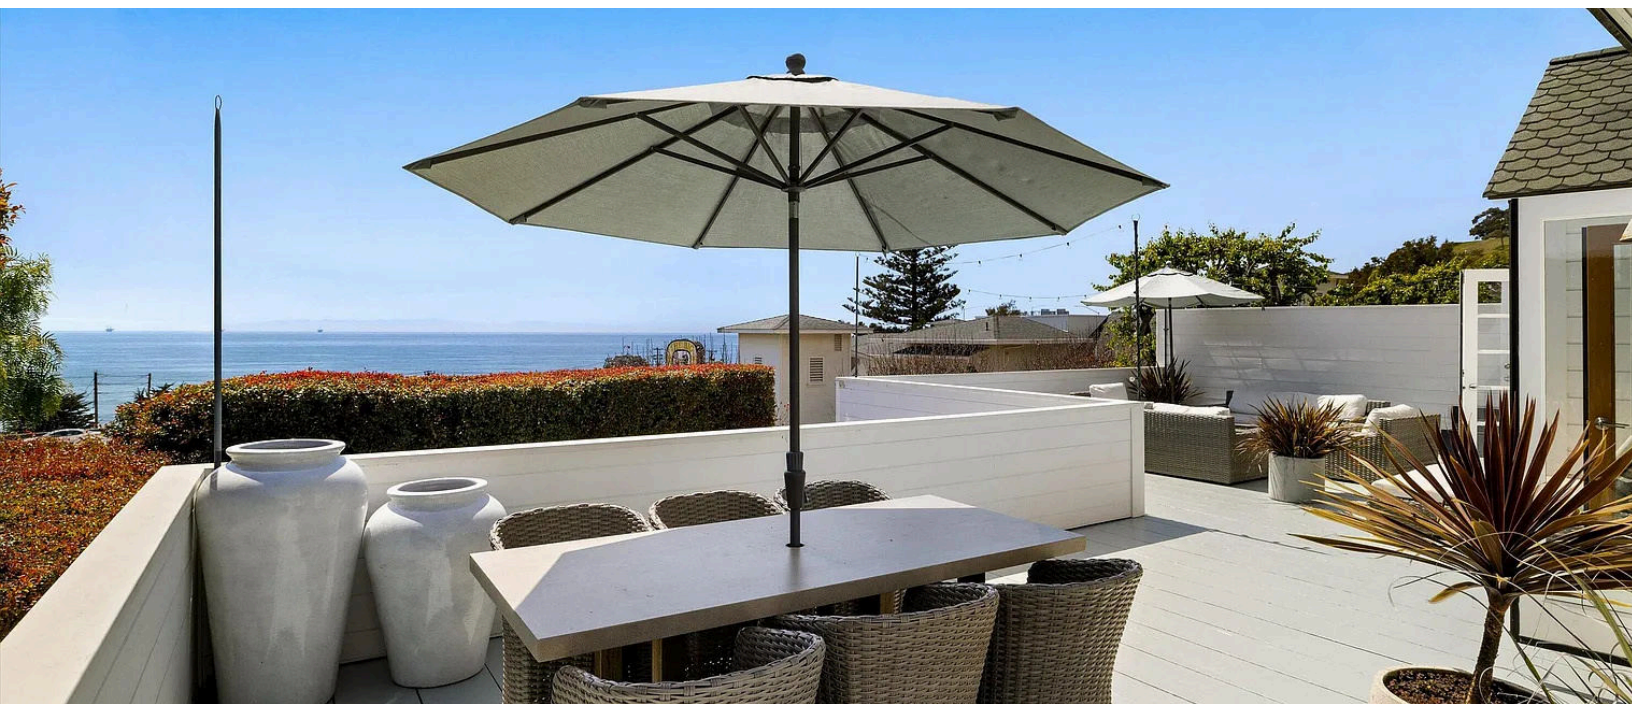

Neighborhood Courtesy

2211 Lillie is located in a quiet residential neighborhood. Please be considerate of our neighbors, particularly when using the outdoor spaces in the evening.

HOUSE RULES

- No smoking.
- Please respect our neighbors. Please observe quiet hours beginning at 10 p.m.
- Do not block neighboring homes, driveways or the roadway.
- Use the designated beach towels rather than household bath towels.
- Please remove sandy shoes before entering the house.
- Return beach chairs and supplies to where you found them.
- Replace the hot tub cover after each use.
- Turn off the stove and fire pit completely after use.
- Pets are welcome subject to our pet policy and applicable pet fee.
- Large parties or events are not permitted.
- Maximum occupancy is 8 guests.
- Guests are welcome to enjoy fruit from our orange and avocado trees.

HOUSE BASICS

Sink & Dishwasher

Dish soap and dishwasher pods are provided beneath the sink, along with a scrub brush and dish towels. Please let us know if any supplies are running low.

Stove

The stove is a traditional gas range and gas oven. Turn the dial and press in to ignite the flame. The hood has lights and fans if needed. Please use caution when cooking and make sure the stove is completely off when finished.

Hot Tub

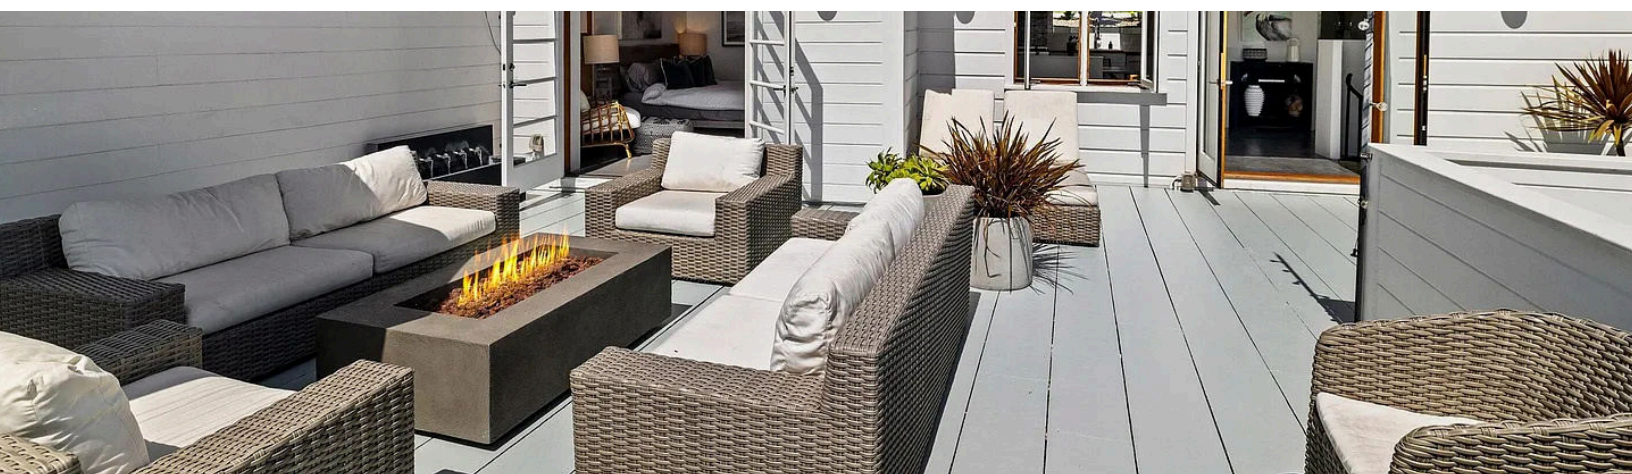

The hot tub is cleaned frequently and maintained at approximately 101°F. You shouldn't need to adjust the temperature. The jets can be turned on and off using the hot tub control panel. There is no need to turn the hot tub itself off; please simply replace the cover when finished.

If the water does not appear clean, please let us know so we can have it serviced.

Fire Pit

The patio fire pit is connected to natural gas, so there is no propane tank to replace. To light it, press the knob in to start the gas flow and turn until it clicks to ignite. Release the knob slowly to make sure the flame stays lit.

If the igniter does not light the flame, the fire stick may be used. Please use caution and make sure the fire pit is completely off when finished.

AMENITIES

TO MAKE YOUR STAY EFFORTLESS

We've stocked the home with everything you need to settle in, unwind and enjoy your stay.

Thoughtful Essentials

You'll find high-quality bath soaps, shampoo, conditioner and lotion for your use.

Coffee & Tea Bar

Enjoy locally roasted coffee, a Nespresso machine, French press and a selection of teas. Creamers and sweeteners are also provided.

Fully Equipped Laundry

The home has a washer and dryer, along with detergent, dryer sheets and other laundry basics.

Extra Comforts

Enjoy soft linens, plush towels, cozy throws and thoughtful touches throughout the home.

CHECKOUT

CHECKOUT — 11:00 AM

- Before departing, please:
- Place used towels in the laundry room.
- Load and run the dishwasher.
- Remove food and personal items from the refrigerator.
- Take trash and recycling to the outdoor bins by the lower driveway/garage.
- Make sure the stove and fire pit are completely off.
- Replace the hot tub cover.
- Close and lock all windows and doors.
- Return keys to the designated location. If you remove keys from the lockbox, please return them there and close it securely.
- Check for personal belongings and chargers.

BEACH ACCESS & BEACH SUPPLIES

SUMMERLAND BEACH — JUST MINUTES FROM THE HOUSE

One of the best features of 2211 Lillie is its easy access to Lookout Park and Summerland Beach.

Walk out the back gate, cross the street and take the pedestrian underpass to Lookout Park. From there, follow the walkway down to Summerland Beach.

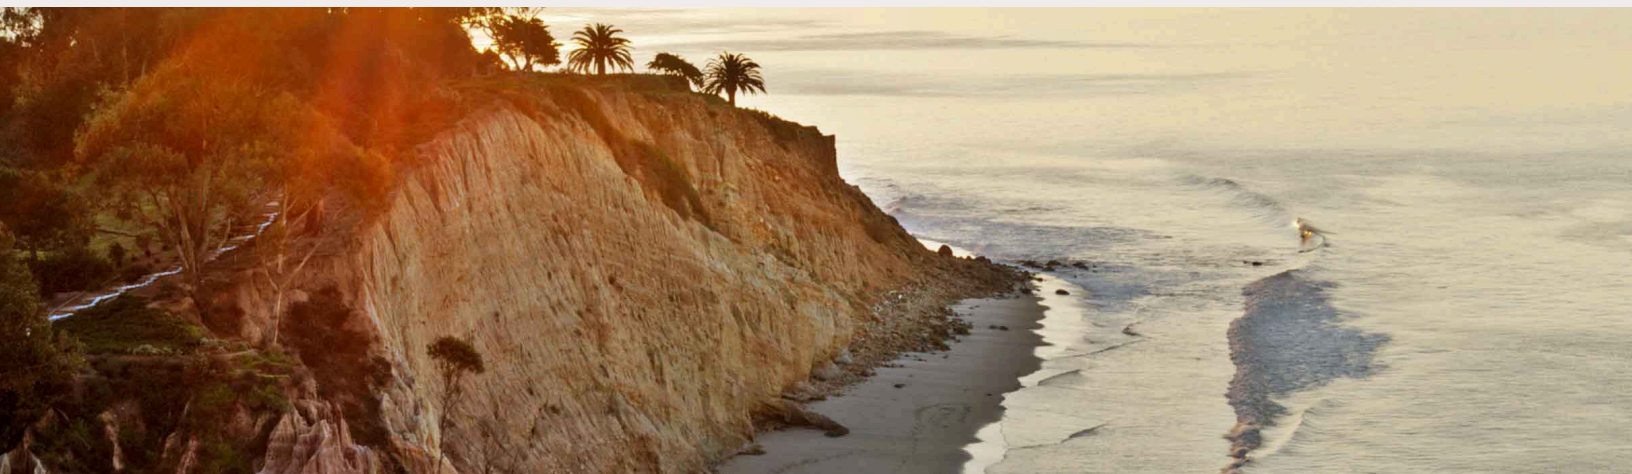

A foot-rinsing area is available near the beach path. Please rinse off as much sand as possible and remove sandy shoes before entering the house.

Beach Towels & Chairs

Beach towels and chairs are available for guest use. Chairs are stored along the staircase leading to the lower patio and back gate. When you return, please put the chairs back where you found them and place wet beach towels in the laundry room. Please don't use household bath towels at the beach.

Forget a Bathing Suit?

The Bikini Factory is just down the road at 2275 Ortega Hill Rd.
